The image shows the interior of a 1975 King Air E90 aircraft. The cabin is well-lit, featuring several large oval windows on the left side. Two rows of seats are visible, upholstered in a light beige or cream color with purple accents on the backrests. Each seat has a dark, patterned throw pillow. The floor is covered in a dark, patterned carpet. In the background, the cockpit area is visible, showing various instruments and controls. The overall appearance is clean and well-maintained.
