Executive Summary:

jetAVIVA announced its 2023 performance results, reaffirming the company's position as a global leader in pre-owned aircraft sales and acquisitions, particularly within the Embraer and Textron aircraft markets. The company maintained strong leadership in owner-flown aircraft categories, including the Citation Mustang for sale and Embraer Phenom segments, while also significantly expanding its presence in the super-midsize and large-cabin business jets for sale market.

jetAVIVA credited much of its success to the strength of its Embraer sales division, led by President Ryan Scott, whose team brings decades of OEM experience and specialized expertise to clients navigating aircraft transactions. The results further reinforce jetAVIVA's reputation as a trusted private jet broker and private jet expert for buyers and sellers seeking guidance on how to buy a private jet or how to sell a private jet.

Key Takeaways:

- jetAVIVA remained the top seller of pre-owned Embraer and Textron aircraft products during 2023.
- The company continued its strong leadership in owner-flown aircraft markets, including the Citation Mustang and Embraer Phenom aircraft categories.
- Large-cabin aircraft transactions accounted for nearly one quarter of the company's 2023 results, representing more than 150% growth since 2020.
