Executive Summary:

As the pre-owned Praetor market continues to mature, aircraft buyers and sellers are increasingly seeking specialized expertise to navigate one of the most advanced aircraft families in the super-midsize segment. The article highlights how jetAVIVA's Ryan Scott and Timon Huber leverage more than 60 years of combined Embraer experience to support clients researching a Praetor, Phenom 300 for sale, Challenger 350 for sale, Gulfstream G550 for sale, and other business jets for sale. For buyers evaluating how to buy a private jet or owners considering how to sell a private jet, working with a private jet broker and private jet expert who possesses deep manufacturer knowledge can be a significant advantage in a developing market.

Key Takeaways:

- The Praetor family has quickly become a leading aircraft platform in the super-midsize jet market.
- Specialized market expertise is increasingly important as more pre-owned Praetor aircraft enter the market.
- Deep manufacturer experience can provide valuable insight during aircraft acquisitions and sales.

Notable Comments:

"The Praetor family is the most disruptive business jet in the super-mid market."

"Working with an industry expert is key to identifying available aircraft and ensuring proper value in a developing market."

"Ryan Scott played a key role in establishing Embraer's Executive Jets division, helping to propel it from a startup department to a highly-respected business unit generating over \$2 billion in revenue."

"Their track record exemplifies professionalism and excellence, making them go-to experts in the Praetor market."
