## Executive Summary:

The Citation Sovereign and Citation Sovereign+ are two of the most capable midsize business jets for sale, offering an impressive blend of range, runway performance, cabin comfort, and operational flexibility. While the original Citation Sovereign established itself as a reliable and efficient option for buyers exploring private jets for sale, the Sovereign+ introduced meaningful upgrades including improved Pratt & Whitney engines, Garmin G5000 avionics, aerodynamic swooplets, and increased range capability. These enhancements allow the Sovereign+ to perform longer transcontinental and overwater missions, including flights to Hawaii under favorable conditions, while maintaining excellent access to shorter runways. For buyers researching how to buy a private jet or comparing aircraft such as the Challenger 350 for sale, Phenom 300 for sale, or Gulfstream G550 for sale, both Sovereign models remain strong contenders depending on mission requirements and budget.

## Key Takeaways:

- The Citation Sovereign+ delivers improved range, fuel efficiency, and performance upgrades over the original Citation Sovereign, making it a standout option among midsize business jets for sale.
- Upgraded PW306D engines, aerodynamic swooplets, and Garmin G5000 avionics help the Citation Sovereign+ support longer transcontinental and overwater missions, including Hawaii flights under favorable conditions.
- Both the Citation Sovereign and Sovereign+ offer exceptional short-runway capability, giving travelers greater access to smaller airports often preferred by private jet owners and private jet brokers.
- For buyers researching how to buy a private jet, the Citation Sovereign family competes well against aircraft such as the Challenger 350 for sale and Phenom 300 for sale by combining luxury, versatility, and operational efficiency.
