

Behind the Scenes at jetAVIVA:

Meet Sean O'Brien

April 2025

[Link to Article](#)

Executive Summary:

Sean O'Brien recently joined jetAVIVA as a Sales Operations Specialist focused on the pre-owned large cabin aircraft market. With a background in logistics and formal education in Organizational Management and Sales, Sean provides clients with accurate market data, operational support, and customer-focused insights that help buyers and sellers make confident aircraft decisions.

Key Takeaways:

- Sean O'Brien serves as a Sales Operations Specialist for jetAVIVA's large cabin aircraft markets. His role centers on analyzing market data, supporting sales efforts, and helping clients navigate the pre-owned aircraft market with confidence.
- Sean specializes in supporting the pre-owned large cabin aircraft market. His focus is on large cabin aircraft sales operations and market analysis rather than specific makes or models.
- Sean brings strong market analysis skills, data precision, timeliness, and customer-focused sales support to jetAVIVA clients. His experience in logistics, ability to build trust and relationships, and expertise in navigating the pre-owned aircraft market help clients make informed buying and selling decisions with confidence.

About 

Founded in 2006, jetAVIVA is a globally recognized private jet broker and private jet expert, celebrating 20 years as a leader in turbine aircraft sales and acquisitions. Having supported thousands of clients in over 40 countries, jetAVIVA consistently ranks among the top firms for private jets for sale and business jets for sale by total transactions. The company specializes in representing buyers and sellers across the full spectrum of aircraft, including light jets for sale, super-midsize platforms like the Challenger 350 for sale, and large-cabin aircraft such as the Gulfstream G550 for sale. jetAVIVA provides comprehensive, expert guidance on how to buy a private jet, how to sell a private jet, and how to maximize value throughout the entire ownership lifecycle.
