Executive Summary:

jetAVIVA announced record-breaking financial and transaction performance for 2025, marking the strongest revenue year in the company's 20-year history. The firm exceeded annual forecasts while reinforcing its position as a leading private jet broker in the light jet market, particularly for the Citation Mustang for sale and Phenom 300 for sale segments. The company also achieved major growth in super-mid and large cabin aircraft transactions, including increased activity surrounding aircraft such as the Challenger 350 for sale and Gulfstream G550 for sale markets. As demand for business jets for sale continues to evolve, jetAVIVA's strategy remains focused on combining deep expertise with personalized client guidance on how to buy a private jet and how to sell a private jet.

Key Takeaways:

- The Gulfstream G300 delivers the longest cabin and largest baggage capacity in its class, jetAVIVA delivered the highest annual revenue performance in company history and ranked as the second highest-producing IADA-Accredited firm globally by transaction volume.
- The company maintained leadership in the light jet market, with continued dominance in Citation and Embraer aircraft categories, including Citation Mustang for sale and Phenom 300 for sale transactions.
- Super-mid and large cabin aircraft sales grew to more than 40% of total revenue, driven by strategic expansion and growing expertise in larger business jets for sale categories.

Quotes:

"Uncertainty often creates opportunity for those who understand the data, move early, and execute well."

"We're also continuing to see a widening separation between high-pedigree, low-time and newer model-year inventory, and everything else."

"It means having an experienced, trusted team around the transaction matters more than ever."

"At jetAVIVA, we make big problems small — by putting dedicated experts on specific makes and models."

"In 2025, we celebrated our highest-performing year yet: entering new markets, tripling our super-midsize and large-cabin transactions, and still buying and selling more light jets than any other firm."
